

PRE-CONFERENCE COURSES – LIMITED SPACE AVAILABLE – PLACES MUST BE PRE-BOOKED

Friday 3 rd May 2019		
10.00 – 17.00	Registration and Speaker Preview Open	
18.30 – 20.30	Exhibition and Posters Open Grand Reception Hall (Level 0)	
	Rooms E1&E2 (Level -2)	Rooms M3 + M4 (Level -1)
12.30 – 16.00	CME Course A	CME Course B
12.40 – 13.10	Essentials of Home Hemodialysis: How to Start, Grow and Sustain a Programme <i>Sandip Mitra, Manchester, UK</i>	Peritoneal Membrane Function – The Basics <i>Ann-Lorraine Clause, Brussels, Belgium</i>
13.10 – 13.40	The First PD Prescription <i>Andreas Vychytil, Vienna, Austria</i>	Advanced Membrane Training <i>Johan Morelle, Brussels, Belgium</i>
13.40 – 14.10	Troubleshooting Volume Overload <i>Simon Davies, Stoke-on-Trent, UK</i>	Individualisation of Prescription <i>Thierry Lobbedez, Caen, France</i>
14.10 -14.30	Troubleshooting Mechanical Problems <i>Peter Blake, Ontario, Canada</i>	Managing Infections on PD <i>Edwina Brown, London, UK</i>
14.30 – 15.00	Tea/Coffee Break Foyer Level -2	
15.00 - 16.30	CME Course C Rooms E1&E2	CME Course D – Hands On Training D.1 Room E3 - Wim Van Biesen, Ghent, Belgium D.2 Room E4 –Bert Bammens, Leuven, Belgium & <i>Thierry Lobbedez, Caen, France</i>
15.00 – 15.30	Training Home HD: Tricks and Tips <i>Tony Goovaerts, St Luc, Belgium</i>	Case Study 1 – Supporting Emerging and Small Programmes
15.30 – 16.00	Attitudes and Barriers to Home HD <i>Roland Schmitt, Hannover, Germany</i>	Case Study 2 – Starting a New Patient-selection of Solution-Volume-dwell time

16.00 – 16.30	Pre-Dialysis Education Programmes <i>Jeanette Finderup</i> <i>Aarhus, Denmark</i>	Case Study 3 - Programming Non-Classic APD/Optimisation Problems
---------------	--	---

Friday 3rd May 2019 *continued*

16.45-18.30	OPENING PLENARY	Linhart Hall (Level -2)
16.45-16.55	Welcome from EuroPD President <i>Simon Davies, President</i>	
16.55 -17.10	Welcome from the President of the Slovenian Society of Nephrology <i>Damjan Kovac, Ljubljana, Slovenia</i>	
17.10-17.20	EuroPD: Quo Vadis? <i>Simon Davies, Stoke-on-Trent, UK</i>	
17.20-18.00	Managing ESKD for all: What Options Worldwide? <i>Raj Mehrotra, Washington, USA</i>	
18.00-18.10	Creating and Maintaining Optimal Peritoneal Dialysis Access: PD University for Surgeons Europe <i>Frank Dor, London, UK</i>	
18.30-20.30	Opening of the Exhibition and Welcome Reception	Grand Reception Hall Level 0

Saturday 4th May 2019

07.00–18.30	Registration and Speaker Preview Open	
08.00–18.00	Exhibition and Posters Open	Grand Reception Hall Level 0
08.00–09.30	Parallel Session 1.1.1 Volume: The Case of Sodium	Linhart Hall Level -2
08.00-08.20	Sodium Toxicity: Drug Induced Hyponatraemia <i>Mark Glover, Nottingham, UK</i>	
08.20-08.40	Sodium Toxicity: Epidemiological Evidence <i>Silvio Borrelli, Naples, Italy</i>	
08.40-09.10	Which Sodium Lowering Strategies Work? <i>Anabela Rodriguez, Portugal</i>	
09.10-09.30	Live Q & A and Debate with the Audience	
08.00-09.30	Parallel Session 1.1.2	Room E1& E2 Level -2
	Workshop – How to Stimulate PD/Homebased Therapies – Track 1	
08.00-08.45	Track 1A : Growing Local PD Knowledge and Finding New Ambassadors <i>Led by Monica Lichodziejewska-Niemierko, Gdansk, Poland</i>	
08.45-09.30	Track 1B: Engaging with Patients to Ensure True Shared Decision Making <i>Led by Wim Van Biesen, Ghent, Belgium</i>	
08.00-09.30	Parallel Session 1.1.3	Kosovel Hall level -2
	Workshop – How to Stimulate PD/Homebased Therapies – Track 2	
08.00-08.45	Economic Barriers and Incentives to Enhance PD/Home Based Therapies <i>Led by Peter Blake, Ontario, Canada</i>	
08.45-09.30	Convincing our Non-Believing Colleagues <i>Led by Simon Davies, Stoke-on-Trent, UK</i>	

09.30 – 10.15	Plenary 1 : Anaemia in PD in 2020 Chairs: <i>Bojan Knap, Ljubljana</i>	Linhart Hall Level -2
09.30-09.45	Anaemia Management in ESKD: Latest Insights and the Future <i>Iain Macdougall, London, UK</i>	
09.45- 10.15	Iron and Anaemia Management in Home Patients – Options in 2020 <i>Jolanta Malyszko, Warsaw, Poland</i>	
10.15–10.45	Tea and Coffee Break	Grand Reception Hall Level 0
10.45–12.05	Parallel Session 2.1 Can This Patient do PD? Chairs: <i>Bojan Knap, Ljubljana</i>	Linhart Hall Level -2
10.45-11.05	A Case of Low Vision/Dexterity Problems <i>Elaine Bowes, London, UK</i>	
11.05-11.25	A Patient in Need of Acute PD <i>Achim Joerres, Cologne, Germany</i>	
11.25-11.45	The Nursing Home Patient <i>Monica Lichodziejewska-Niemierko, Gdansk, Poland</i>	
11.45-12.05	The Failed Transplant <i>Bert Bammens, Leuven, Belgium</i>	
10.45–12.05	Parallel Session 2.2 Misconceptions and Barriers Chairs: <i>Jernej Pajek, Ljubljana</i>	Kosovel Hall Level -2
10.45-11.05	Patient's View on Modality Selection Experience <i>Jeanette Finderup, Aarhus, Denmark</i>	
11.05- 11.25	Outcomes of Home HD <i>James Heaf, Copenhagen, Denmark</i>	
11.25-11.45	How an Ordeal Becomes the Norm: An In-depth View of Self-Cannulation? <i>Currie Moore, Manchester, UK</i>	
11.45-12.05	Adequate PD is Only Possible in the Presence of Residual Renal Function <i>Ray Krediet, Amsterdam, The Netherlands</i>	
12.05	Lunchbags available for pick up before Industry Symposium	Foyer Level -2
12.30-13.30	Joint Industry Lunchtime Symposium (<i>non CME accredited</i>)	Linhart Hall Level -2
13.30-14.00	Teas/Coffees/Dessert Station and Poster Viewing in Exhibition Area	
14.00-14.45	Poster Viewing Session and Discussion with Authors	

Saturday 4 th May 2019 <i>continued</i>		
14.45-16.15	Parallel Session 3.1 – Improving Incidence of Home Based Therapies – (So you think you can PD?)	Linhart Hall Level -2
14.45-15.15	Clinical/Translational Topic : The Ontario Project <i>Peter Blake, Ontario, Canada</i> Result from Workshop 1 (Sat 08.00-09.30 session) Presented by new PD leaders (6 mins presentation & 4 minutes for discussion)	
15.15-15.35	Feedback - Growing Local PD Knowledge and Finding New Ambassadors	
15.35-15.45	Feedback - Engaging with Patients to Ensure True Shared Decision Making	
15.45-15.55	Feedback - Economic Barriers and Incentives to Enhance PD/Home Based Therapies	
15.55-16.05	Feedback - Convincing our Non-Believing Colleagues	
16.05-16.15	Discussion	
14.45-16.15	Parallel Session 3.2 – Infections in PD Chair: N Topley, Cardiff, UK	Kosovel Hall Level -2
14.45-15.05	Intravenous or Intraperitoneal: What to Choose When <i>Andreas Vychytil, Vienna, Austria</i>	
15.05-15.25	Pro-resolving Mediators in Infectious Peritonitis <i>Matthias Eberl, Cardiff, UK</i>	
15.25-15.45	Hand Hygiene and Infection Prevention – A Solved Problem? <i>Stan Fan, London, UK</i>	
15.45-16.05	Infection : Lessons from PDOPPS <i>Mark Lambie, Stoke-on Trent, UK</i>	
16.05-16.15	Discussion and Q & A	
16.10-16.30	Teas/Coffees/and Poster Viewing in Exhibition Area	

Saturday 4th May 2019 *continued*

16.30-18.00	Parallel Session 4.1 – Basic Science: Morphology of the Peritoneum <i>Chairs: N Topley, Cardiff, UK co-chair: Jernej Pajek, Ljubljana</i>	Linhart Hall Level -2
16.30-17.00	Molecular Signature of Mesenchymal-to Mesothelial Transition <i>Sarah Herrick, Manchester, UK</i>	
17.00-17.30	Protein Kinase C Family in the Peritoneal Membrane Pathophysiology during PD <i>Neil Shushakova, Hannover, Germany</i>	
17.30-18.00	Biocompatible Solutions and Structural Alterations in the Peritoneal Membrane <i>Betti Schäfer, Heidelberg, Germany</i>	
16.30–18.20	Parallel Session 4.2 (Oral Presentations) Co-chairs: <i>R Ekart, Maribor Slovenia</i>	Kosovel Hall Level -2
16.30-16.40	O-1 Pathomechanisms of PD Membrane Transformation with Low and High GDP PD <i>Maria Bartosova, Heidelberg, Germany</i>	
16.40-16.50	O-2 YAP/caveolin1 Fine Tuning of Mechanical Stretch-induced MMT in Mesothelial Cells: Implications for the Genesis of Peritoneal Fibrotic Pathologies <i>Raffaele Strippoli, Sapienza, Italy</i>	
16.50-17.00	O-3 Systems Biology Analysis of Lithium-Mediated Cytoprotection in In Vitro and In Vivo PD <i>Rebecca Herzog, Vienna, Austria</i>	
17.00-17.10	O-4 Oxidative DNA Damage Associates with All-Cause Mortality Independent of Inflammation and Vascular Calcification in Prevalent PD Patients <i>Lu Dai, Solna, Sweden</i>	
17.10-17.40	Pro-Con Debate : A Home Based Therapy Programme Should Have Dedicated Nurses 17.10-17.20 Pro: <i>Norbert Lameire, Belgium</i> 17.20-17.30 Con: <i>Cecile Courivaud Besancon, France</i> 17.30-17.40 Discussion with Audience	
17.40-17.50	O-5 Comparison of Three PET Methods to Assess Peritoneal Membrane Transport <i>Rafael Romani, Curtiba, Cuba</i>	
17.50-18.00	O-6 Risk Factors for Unplanned Dialysis Initiation. Final Results of the Peridialysis Project <i>James Heaf, Copenhagen, Denmark</i>	

18.00-18.10	O-7 Prevention of Peritonitis by Regular Retraining of New Peritoneal Dialysis Patients (PEPS Study) - A Randomized Controlled Trial <i>Susanne Ljungman, Gothenburg, Sweden</i>
18.10-18.20	O-8 Double Purse-String Technique: A New Way to Start CAPD Immediately Minimising Mechanical Complications <i>Luca Nardelli, Milan, Italy</i>
18.20	End of day

3rd-5th May 2019, Ljubljana, Slovenia

Sunday 5 th May 2019	
07.00-14.00	Registration and Speaker Preview Open
08.00-14.00	Exhibition and Posters Open
08.00-09.30	Parallel Session 5.1 Linart Hall Level -2 What do we Need to Study in Hometherapies and Why?
08.00-08.30	Basic Research Needs to Focus on Peritoneal Homeostasis <i>Anne-Catherine Raby Cardiff, UK</i>
08.30-09.00	The Need for Supporting Patients Better <i>Kerry Allen, Birmingham, UK</i>
09.00-09.30	What do we Need to Study? We Need New PD Solutions <i>Jernej Pajek, Ljubljana, Slovenia</i>
08.00-09.30	Parallel Session 5.2 - ISPD Session
08.00-08.30	Singing the SONG: What are the Implications of the SONG Initiative? <i>Raj Mehrotra, Seattle, USA</i>
08.30-09.00	ISPD New Guidelines <i>Edwina Brown, London, UK</i>
09.00-09.30	Outcomes in Quality Improvement Initiatives <i>Wim Van Biesen, Ghent, Belgium</i>
09.30-10.15	Plenary Lecture 2 : The Bengt Rippe Lecture Linart Hall Level -2 New Insights in Peritoneal Transport <i>Johan Morelle, Brussels, Belgium</i>
10.15-10.30	Teas/Coffees/ and Poster Viewing in Exhibition Area

Sunday 5th May 2019 cont'd

10.30-12.00	Parallel Session 6.1 - Improve-PD: Marie Curie Innovative Training Network in Peritoneal Dialysis Research: 15 New PhD Students to Transform Cardiovascular rise in Peritoneal Dialysis Patients Kosovel Hall Level -2
10.30-11.00	Improve PD: Overview from the Co-ordinator <i>Manuel Lopez-Cabrera, Madrid, Spain</i>
11.00-11.20	Identifying the PD Patient at High Cardiovascular Risk in PD <i>Claus Peter Schmitt, Heidelberg, Germany</i>
11.20-11.40	Understanding Cardiovascular Risk in PD <i>Donald Fraser, Cardiff, UK</i>
11.40-12.00	New Treatments to Diminish Cardiovascular Risk in PD <i>Klaus Kratochwill, Vienna, Austria</i>
10.30-12.00	Parallel Session 6.2 Transitions: Be Prepared Linhart Hall Level -2
10.30-11.00	Starting RRT <i>Rhodri Pyart, Cardiff, UK</i>
11.00-11.30	Transitional from PD to HD: Epidemiology, Risk Factors and Outcomes <i>Annie Claire Nadeau Fredette, Montreal, Canada</i>
11.30-12.00	Planned Transitioning to HD: How, Why and When? <i>Anabela Rodrigues, Porto, Portugal.</i>
12.00-14.00	Plenary Session 3 What I have Learned New on Home Therapies Last Month Linhart Hall Level -2
12.00-12.20	Person Centred Peritoneal Dialysis Care <i>Martin Wilkie, UK</i>
12.20-12.40	Assessing and Improving Health Literacy <i>Helen Hurst, Manchester, UK</i>
12.40-13.00	Educating Patients; Which Models Work and Which Don't <i>Robert Ekart, Maribor, Slovenia</i>
13.00-13.20	Basic Science <i>Janusz Witowski, Poznan, Poland</i>
13.20-13.40	Clinical Home HD <i>Roland Schmitt, Hannover, Germany</i>

13.40-14.00	Basic Science <i>Donald Fraser, Cardiff, UK</i>	
14.00-14.10	Prizes and Goodbye <i>(Lunchbags available for pick up and go)</i>	Kosovel Hall Level -2
