

**PRE-CONFERENCE COURSES – LIMITED SPACE AVAILABLE**

**PLACES MUST BE PRE-BOOKED**

TIME	FRIDAY 3RD MAY 2019		ROOM
10.00- 17.00	Registration and Speaker Preview Open		Grand Reception Hall Level 0
18.30- 20.30	Exhibition and Posters Open		Grand Reception Hall Level 0
12.30- 14.30	<b>CME Course A</b>	Rooms E1&E2 (Level -2)	<b>CME Course B</b> Rooms M3 + M4 (Level -1)
12.40- 13.10	Essentials of Home Hemodialysis: How to Start, Grow and Sustain a Programme <i>Sandip Mitra, Manchester, UK</i>		Peritoneal Membrane Function – The Basics <i>Ann-Lorraine Clause, Brussels, Belgium</i>
13.10- 13.40	The First PD Prescription <i>Andreas Vychytil, Vienna, Austria</i>		Advanced Membrane Training <i>Johan Morelle, Brussels, Belgium</i>
13.40- 14.10	Troubleshooting Volume Overload <i>Simon Davies, Stoke-on-Trent, UK</i>		Individualisation of Prescription <i>Thierry Lobbedez, Caen, France</i>
14.10- 14.30	Troubleshooting Mechanical Problems <i>Peter Blake, Ontario, Canada</i>		Managing Infections on PD <i>Edwina Brown, London, UK</i>
14.30- 15.00	Tea & Coffee Break		Foyer Level -2
15.00- 16.30	<b>CME Course C</b>	Rooms E1&E2 (Level -2)	<b>CME Course D1 - Hands On Training</b> D.1 Room E3 - Wim Van Biesen, Ghent, Belgium
			<b>CME Course D2- Hands On Training</b> D.2 Room E4 - Bert Bammens, Leuven, Belgium & Thierry Lobbedez, Caen, France
15.00 – 15.30	Training Home HD: Tricks and Tips <i>Tony Goovaerts, St Luc, Belgium</i>		Case Study 1 – Supporting Emerging and Small Programmes
15.30 – 16.00	Attitudes and Barriers to Home HD <i>Roland Schmitt, Hannover, Germany</i>		Case Study 2 – Starting a New Patient-selection of Solution-Volume-dwell time
16.00 – 16.30	Pre-Dialysis Education Programmes <i>Jeanette Finderup, Aarhus, Denmark</i>		Case Study 3 - Programming Non-Classic APD/ Optimisation Problems

TIME	FRIDAY 3RD MAY 2019 CONTINUED		ROOM
16.45- 18.30	OPENING PLENARY		Linhart Hall Level -2
16.45- 16.55	Welcome from EuroPD President <i>Simon Davies, President</i>		
16.55- 17.10	Welcome from the President of the Slovenian Society of Nephrology <i>Damjan Kovač, Ljubljana, Slovenia</i>		
17.10- 17.20	EuroPD: Quo Vadis? <i>Simon Davies, Stoke-on-Trent, UK</i>		
17.20- 18.00	Managing ESKD for all: What Options Worldwide? <i>Raj Mehrotra, Washington, USA</i>		
18.00- 18.10	Creating and Maintaining Optimal Peritoneal Dialysis Access: PD University for Surgeons Europe <i>Frank Dor, London, UK</i>		
18.30- 20.30	Opening of the Exhibition and Welcome Reception		
<b>SATURDAY 4TH MAY 2019</b>			
07.00- 18.30	Registration and Speaker Preview Open		
08.00- 18.00	Exhibition and Posters Open		
08.00–09.30	<b>Parallel Session 1.1</b> Linhart Hall Level -2 <b>Volume: The Case of Sodium</b> <i>Chairs: Anabela Rodrigues, Portugal &amp; Mark Lambie, UK</i>	<b>Parallel Session 1.2</b> Room E1& E2 Level -2 <b>Workshop – How to Stimulate PD/ Homebased Therapies – Track 1</b>	<b>Parallel Session 1.3</b> Kosovel Hall level -2 <b>Workshop – How to Stimulate PD/ Homebased Therapies – Track 2</b>
08.00–08.20	<b>Sodium Toxicity: Drug Induced Hyponatraemia</b> <i>Mark Glover, Nottingham, UK</i>	<b>08.00–08.45 Track 1A : Growing Local PD Knowledge and Finding New Ambassadors</b> <i>Led by Monica Lichodziejewska-Niemierko, Gdansk, Poland</i>	<b>08.00–08.45 Economic Barriers and Incentives to Enhance PD/Home Based Therapies</b> <i>Led by Peter Blake, Ontario, Canada</i>
08.20–08.40	<b>Sodium Toxicity: Epidemiological Evidence</b> <i>Silvio Borrelli, Naples, Italy</i>	<b>08.45–09.30 Track 1B: Engaging with Patients to Ensure True Shared Decision Making</b> <i>Led by Wim Van Biesen, Ghent, Belgium</i>	<b>08.45–09.30 Convincing our Non-Believing Colleagues</b> <i>Led by Simon Davies, Stoke-on-Trent, UK</i>
08.40–09.10	<b>Which Sodium Lowering Strategies Work?</b> <i>Anabela Rodrigues, Portugal</i>		
09.10–09.30	<b>Live Q &amp; A and Debate with the Audience</b>		

TIME	SATURDAY 4TH MAY 2019		ROOM
09.30- 10.15	Plenary 1: Treating Anaemia in PD <i>Chairs: Simon Davies, UK, and Bojan Knap, Slovenia</i>		Linhart Hall Level - 2
09.30- 09.45	Iron and Anaemia Management in Home Patients <i>Jolanta Malyszko, Warsaw, Poland</i>		
09.45- 10.15	Anaemia Management in ESKD: Latest Insights and the Future <i>Iain Macdougall, London, UK</i>		
10.15- 10.45	Tea & Coffee Break		Grand Reception Hall Level 0
10.15- 12.05	<b>Parallel Session 2.1 Can This Patient do PD?</b> <i>Chairs: Achim Joerres, Germany &amp; Bojan Knap, Slovenia</i> Linhart Hall Level - 2	<b>Parallel Session 2.2 Misconceptions and Barriers</b> <i>Chairs: Ray Krediet, The Netherlands &amp; Jernej Pajek, Slovenia</i> Kosovel Hall Level - 2	
10.45- 11.05	A Case of Low Vision/Dexterity Problems <i>Elaine Bowes, London, UK</i>	Patient's View on Modality Selection Experience <i>Jeanette Finderup, Aarhus, Denmark</i>	
11.05- 11.25	A Patient in Need of Acute PD <i>Achim Joerres, Cologne, Germany</i>	Outcomes of Home HD <i>James Heaf, Copenhagen, Denmark</i>	
11.25- 11.45	The Nursing Home Patient <i>Monica Lichodziejewska-Niemierko, Gdansk, Poland</i>	How an Ordeal Becomes the Norm: An In-depth View of Self-Cannulation? <i>Currie Moore, Manchester, UK</i>	
11.45- 12.05	The Failed Transplant <i>Bert Bammens, Leuven, Belgium</i>	Adequate PD is Only Possible in the Presence of Residual Renal Function <i>Ray Krediet, Amsterdam, The Netherlands</i>	
12.05	Lunchbags available for pick up before Industry Symposium		Foyer Level -2
12.30- 13.30	Joint Industry Lunchtime Symposium (non CME accredited)		Linhart Hall Level - 2
13.30- 14.00	Teas/Coffees/Dessert Station and Poster Viewing in Exhibition Area		
14.00- 14.45	Poster Viewing Session and Discussion with Authors		

TIME	SATURDAY 4TH MAY 2019 CONTINUED	ROOM
14.45- 16.15	<p style="text-align: right;">Linhart Hall Level - 2</p> <p><b>Parallel Session 3.1 – Improving Incidence of Home Based Therapies – (So you think you can PD?)</b>  <i>Chairs: Wim van Biesen, Belgium &amp; Simon Davies, UK</i></p>	<p style="text-align: right;">Kosovel Hall Level - 2</p> <p><b>Parallel Session 3.2- Infections in PD</b>  <i>Chairs: Nick Topley, UK &amp; Damjan Kovač, Slovenia</i></p>
14.45- 15.15	<p>Clinical/Translational Topic : The Ontario Project  <i>Peter Blake, Ontario, Canada</i></p>	<p><b>14.45- 15.05</b> Intravenous or Intraperitoneal: What to Choose When  <i>Andreas Vychytil, Vienna, Austria</i></p>
	<p>Result from Workshop 1 (Sat 08.00-09.30 session)</p>	<p><b>15.05- 15.25</b> Point of care diagnosis of peritoneal infection  <i>Matthias Eberl, Cardiff, UK</i></p>
15.15- 15.35	<p>Feedback - Growing Local PD Knowledge and Finding New Ambassadors</p>	<p><b>15.25- 15.15</b> Hand Hygiene and Infection Prevention – A Solved Problem?  <i>Stan Fan, London, UK</i></p>
15.35- 15.45	<p>Feedback - Engaging with Patients to Ensure True Shared Decision Making</p>	<p><b>15.45- 16.05</b> Infection : Lessons from PDOPPS  <i>Mark Lambie, Stoke-on Trent, UK</i></p>
15.45- 15.55	<p>Feedback - Economic Barriers and Incentives to Enhance PD/Home Based Therapies</p>	<p><b>16.05- 16.15</b> Discussion and Q &amp; A</p>
15.55- 16.05	<p>Feedback - Convincing our Non-Believing Colleagues</p>	
16.05- 16.15	<p>Discussion</p>	
16.10- 16.30	<p>Teas/Coffees and Poster Viewing in Exhibition Area</p>	

TIME	SATURDAY 4TH MAY 2019 CONTINUED	ROOM
16.30- 18.00	Parallel Session 4.1 – Basic Science: Morphology of the Peritoneum <i>Co-chairs: Nick Topley, UK and Jernej Pajek, Slovenia</i>	Linhart Hall Level - 2
16.30- 17.00	Molecular Signature of Mesenchymal-to Mesothelial Transition <i>Sarah Herrick, Manchester, UK</i>	
17.00- 17.30	Classical Protein Kinase C Subfamily in the Peritoneal Pathophysiology during PD <i>Nelli Shushakova, Hannover, Germany</i>	
17.30- 18.00	Biocompatible Solutions and Structural Alterations in the Peritoneal Membrane <i>Betti Schäfer, Heidelberg, Germany</i>	
16.30- 18.20	Parallel Session 4.2 (Oral Presentations) <i>Co-chairs : Robert Ekart, Slovenia and Max Dratwa, Belgium</i>	Kosovel Hall Level - 2
16.30- 16.40	O-1 Pathomechanisms of PD Membrane Transformation with Low and High GDP PD <i>Maria Bartosova, Heidelberg, Germany</i>	
16.40- 16.50	O-2 YAP/caveolin1 Fine Tuning of Mechanical Stretch-induced MMT in Mesothelial Cells: Implications for the Genesis of Peritoneal Fibrotic Pathologies <i>Raffaele Strippoli, Sapienza, Italy</i>	
16.50- 17.00	O-3 Systems Biology Analysis of Lithium-Mediated Cytoprotection in In Vitro and In Vivo PD <i>Rebecca Herzog, Vienna, Austria</i>	
17.00- 17.10	O-4 Oxidative DNA Damage Associates with All-Cause Mortality Independent of Inflammation and Vascular Calcification in Prevalent PD Patients <i>Lu Dai, Solna, Sweden</i>	
17.10- 17.40	Pro-Con Debate : A Home Based Therapy Programme Should Have Dedicated Nurses 17.10-17.20 Pro: <i>Norbert Lameire, Belgium</i> 17.20-17.30 Con <i>Cecile Courivaud Besancon, France</i> 17.30-17.40 Discussion with Audience	
17.40- 17.50	O-5 Comparison of Three PET Methods to Assess Peritoneal Membrane Transport <i>Rafael Romani, Curtiba, Cuba</i>	
17.50- 18.00	O-6 Risk Factors for Unplanned Dialysis Initiation. Final Results of the Peridialysis Project <i>James Heaf, Copenhagen, Denmark</i>	
18.00- 18.10	O-7 Prevention of Peritonitis by Regular Retraining of New Peritoneal Dialysis Patients (PEPS Study) - A Randomized Controlled Trial <i>Susanne Ljungman, Gothenburg, Sweden</i>	
18.10- 18.20	O-8 Double Purse-String Technique: A New Way to Start CAPD Immediately Minimising Mechanical Complications <i>Luca Nardelli, Milan, Italy</i>	
18.20	End of day	

TIME	SUNDAY 5TH MAY 2019		ROOM
07.00- 14.00	Registration and Speaker Preview Open		
08.00- 14.00	Exhibition and Posters Open		
08.00- 09.30	<b>Parallel Session 5.1- What do we Need to Study in Home Therapies and Why?</b> <i>Co-chairs : Simon Davies, UK &amp; Borut Cizman, Slovenia</i>	Kosovel Hall Level - 2 <b>Parallel Session 5.2- ISPD Session</b> <i>Monica Lichodziejewska-Niemierko, Poland &amp; Martin Wilkie, UK</i>	Linhart Hall Level - 2 
08.00- 08.30	<b>Basic Research Needs to Focus on Peritoneal Homeostasis</b> <i>Anne-Catherine Raby Cardiff, UK</i>	<b>Singing the SONG: What are the Implications of the SONG Initiative?</b> <i>Raj Mehrotra, Seattle, USA</i>	
08.30- 09.00	<b>The Need for Supporting Patients Better</b> <i>Kerry Allen, Birmingham, UK</i>	<b>ISPD New Guidelines</b> <i>Edwina Brown, London, UK</i>	
09.00- 09.30	<b>What do we Need to Study? We Need New PD Solutions</b> <i>Jernej Pajek, Ljubljana, Slovenia</i>	<b>Outcomes in Quality Improvement Initiatives</b> <i>Wim Van Biesen, Ghent, Belgium</i>	
09.30- 10.15	<b>Plenary Lecture 2 : The Bengt Rippe Lecture New Insights in Peritoneal Transport</b> <i>Johan Morelle, Brussels, Belgium</i>		Linhart Hall Level -2
10.15- 10.30	Teas/Coffees and Poster Viewing in Exhibition Area		
10.30- 12.00	<b>Parallel Session 6.1 - Improve-PD: Marie Curie Innovative Training Network in Peritoneal Dialysis Research: 15 New PhD Students to Transform Cardiovascular rise in Peritoneal Dialysis Patients</b> <i>Co-chairs : Donald Fraser, UK &amp; Janusz Witowski, Poland</i>	<b>Parallel Session 6.2 Transitions: Be Prepared</b> <i>Co-chairs : Mark Lambie, UK &amp; James Heaf, Denmark</i>	Kosovel Hall Level - 2 Linhart Hall Level - 2
10.30- 11.00	<b>Improve PD: Overview from the Co-ordinator</b> <i>Manuel Lopez-Cabrera, Madrid, Spain</i>	<b>10.30- 11.00 Starting RRT</b> <i>Rhodri Pyart, Cardiff, UK</i>	
11.00- 11.20	<b>Identifying the PD Patient at High Cardiovascular Risk in PD</b> <i>Claus Peter Schmitt, Heidelberg, Germany</i>	<b>11.00- 11.30 Transitional from PD to HD: Epidemiology, Risk Factors and Outcomes</b> <i>Annie Claire Nadeau Fredette, Montreal, Canada</i>	
11.20- 11.40	<b>Understanding Cardiovascular Risk in PD</b> <i>Donald Fraser, Cardiff, UK</i>	<b>11.30- 12.00 Planned Transitioning to HD: How, Why and When?</b> <i>Anabela Rodrigues, Porto, Portugal.</i>	
11.40- 12.00	<b>New Treatments to Diminish Cardiovascular Risk in PD</b> <i>Klaus Kratochwill, Vienna, Austria</i>		

TIME	SUNDAY 5TH MAY 2019 CONTINUED	ROOM
12.00- 14.00	<b>Plenary Session 3 What I have Learned New on Home Therapies Last Month</b> <i>Co-chairs : Simon Davies, UK &amp; Damjan Kovač, Slovenia</i>	Linhart Hall Level - 2
12.00- 12.20	<b>Person Centred Peritoneal Dialysis Care</b> <i>Martin Wilkie, UK</i>	
12.20- 12.40	<b>Assessing and Improving Health Literacy</b> <i>Helen Hurst, Manchester, UK</i>	
12.40- 13.00	<b>Educating Patients; Which Models Work and Which Don't</b> <i>Robert Ekart, Maribor, Slovenia</i>	
13.00- 13.20	<b>Basic Science</b> <i>Janusz Witowski, Poznan, Poland</i>	
13.20- 13.40	<b>Clinical Home HD</b> <i>Roland Schmitt, Hannover, Germany</i>	
13.40- 14.00	<b>Basic Science</b> <i>Donald Fraser, Cardiff, UK</i>	
14.00- 14.10	<b>Join us in Glasgow, Scotland for ISPD-EuroPD 2020 Prizes and Goodbye</b> (Lunchbags available for pick up and go) <i>Martin Wilkie, Sheffield, UK</i>	Linhart Hall Level - 2
